Milton Steinberg of Newton Appointed to SCORE National Task Force

Boston, MA- The SCORE Association “Counselors to America’s Small Business” named Milton Steinberg, a Newton, Massachusetts resident, to serve on a national core competencies task force. Steinberg will help establish principles that will enhance the ability of SCORE chapters to better serve their clients.

This task force is part of an ongoing initiative to constantly improve the quality of SCORE’s small business mentoring and training services.

“Milt Steinberg’s presence on this national task force is tremendous asset as SCORE continues to pursue excellence and deliver quality services to the small business community,” says SCORE CEO Kenneth Yancey. “Steinberg’s research and recommendations will help the task force formulate best practices and the characteristics for a model SCORE chapter.”

Steinberg, chapter chair of Boston SCORE in 2001, joined the organization in 1996. In addition to leading the chapter, he has served as chair of numerous committees. Steinberg was CEO of a textile-related manufacturing company for 47 years before joining SCORE.

The SCORE Association, a U.S. Small Business Administration resource partner, was formed in 1964 as a nonprofit association dedicated to entrepreneur education and the formation, growth and success of small business nationwide.
